MEDICINAL.

Health is a magnet which irresistibly draws the man to the woman in life's mating time. Health does more than tint the skin with beauty; it puts music into the voice and buoyancy into the step, as well as happiness into the heart. A great many women covet beauty and are constantly seeking aids to beautify them. Let a woman first seek perfect health and all other charms shall be added to her.

There can be no general health for women while there is disease of the delicate womanly organism. The first step to perfect health is to cure womanly diseases by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

It used four bottles of your Favorite Prescription and one of Golden Medical Discovery," writes Mrs. Elmer D. Shearer, of Mount Hope, Lancaster Co., Pa., "and can say that I am cured of that dreaded disease, uterine trouble. Am in better health than ever before. Every one who knows me is surprised to see me look so well. In June I was so poor in health that at times I could not walk. To-day I am cured. I tell everybody that Dr. Pierce's medicines cured me."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 11 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE NEW POSTAL CARD.

A new one-cent postal card is now being printed at the bureau of engraving and printing and when the first issue of 4,000,000 has been counted and bundled the new card will be placed on sale. Its distinctive feature is that the new card contains a vignette of President McKinley in lieu of President Jefferson's portrait. The issue of the Jefferson card will be discontinued when the present stock on hand is exhausted. When desired by purchasers the new postal card will be furnished in sheets of forty cards each. It is expected this arrangement will effect a large saving to purchasers who have their messages or addresses printed on postal cards. In order to avoid the heavy black device at the top of the Jefferson card and leave a clear space for the postmark the new postal card has three lines of small type printed about an inch below the top of the card. The card is thus divided into two sections, one for the postmark and one for the address. The official description of the new card is as follows:

"To the upper right-hand corner is a portrait of the late President McKinley three-quarters face, looking to the left, with the words 'Postage One Cent' above and '1843-McKinley-1901' below the stamp and following its elliptical contour. The portrait used for the subject of this stamp is one which was prepared by Mr. McKinley himself. The stamp is printed in color of orange. To the left of the portrait are three straight lines of lettering, the top line being one and one-sixteenth inches below the upper edge of the card and containing in small capital letters the words, 'The Space Above is Reserved for Postmark.' The second line is made up of the word 'Postal Card' in large, plain capitals. The third line is in the same type as the first, and reads 'The Space Below is for the Address Only.' In the upper left-hand corner is a coat-of-arms of the United States, its position balancing that of the stamp in the upper right-hand corner. Above the coat-of-arms in the same style of capital letters used above the stamp are the words, 'United States,' and below it the words 'of America,' following the contour of the coat-of-arms. Black ink will be used in printing this card. The card will be the same size, 3 1/2 by 5 inches, as the old one bearing Jefferson's portrait."

GIRL'S BROTHERS USED KNIVES.

A serious cutting affair occurred at Hill, Bro. Loudoun county, on Saturday evening, Saturday afternoon, young Ash Jones, son of a liverman at Harper's Ferry, drove to Hillsboro to see his sweetheart, Miss Daisy Lay. Calling at the house, he made an engagement for the evening, and then left to care for his horse. After dinner the young man returned and was received by the young lady, neither one suspecting that anything was wrong. In the meantime, Miss Lay's two brothers, Elbert and William Lay, sons of Mr. Henderson Lay of Hillsboro, went to young Jones's buggy outside and cut up the harness and lap robe. Then, without warning, they entered the parlor where the two young people were, and with oaths commanded Jones to leave. The young woman screamed, but before she could summon assistance Elbert and William Lay had attacked Jones with knives. In a seriously wounded condition he was dragged to the door and kicked down the steps. Neighbors came and took the two brothers into custody. Jones's wounds are very serious, and his recovery is doubtful. He is terribly cut about the back and abdomen, and had the wounds been a little deeper they would have been instantly fatal. No reason has as yet been assigned for the cutting.

A THIRTEEN-CENT STAMP.

Postmaster General Payne, Edwin C. Madden, the third assistant postmaster general, and Major Reeve, chief of the stamp division of the Postoffice department, have decided on a new stamp particularly designed for the foreign mail service. It is to be of a denomination new to the postal service—13 cents. At present it is impossible to send a registered letter through the foreign mails without using two stamps, one of five cents to pay the postage and one of eight cents to pay the cost of registration. When the thirteen-cent stamp is on sale this will, of course, be obviated by the use of one stamp. The design of the stamp provides for a portrait of President Harrison, and Mr. Madden and Major Reeve have decided on the portrait from which the stamp is to be made. It is an excellent likeness and one of the clearest prints which could be obtained. Mr. Harrison is possibly seated at his desk in the Executive Mansion, with his face turned a little to the left from the camera. The portrait is said to have been a favorite with both President and Mrs. Harrison. Salvation Oil the best liniment Regular bottles, 25c; large bottles, 50c. Greatest cure on earth for Rheumatism, Neuralgia, Sprains, Backache, Stiffness, Cuts, Bruises, Wounds, Swellings, Burns and Frost Bites. Salvation Oil kills all pain. Sold by Richard Gibson and all druggists.

Pneumonia Prevented.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash Avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Richard Gibson, druggist.

The Last Word Of It.

"My little boy took the cramp one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the cramp. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, croup, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. For sale by E. S. Leadbeater & Sons.
